

## Technical Specification

Make : ELEKTRO LABS

Model: ELS-SemuD27

Console:	Fabricated in Sheet Metal designed with rigid desktop type unit with ability to connect with keyboard and mouse.
<b>Touch Monitor</b>	
Screen Size:	27 inch
Display Type:	LED
Display Panel Diagonal size :	685.8 mm
Width of The Effective Display Area of The Panel:	598 mm
Height of The Effective Display Area of The Panel:	337 mm
Backlight Technology:	LED
Display Resolution (Pixels)	(WQHD)2560 x 1440@60 Hz
Display Brightness (Nits):	300
Touch interface:	Full Touch sensitive
Touch Technology:	Capacitive
Number of touch points (Number):	10
Response time (mili seconds):	5 mS
Operating System Compatibility:	Windows 10
Number of Input HDMI ports:	1
Number of USB ports	3 x USB 3.0 ports
Power Supply Voltage in AC,	210-240, VAC, 50 Hz
Power consumption (Watts):	23
Operating Temperature Range (Degree Celsius):	0 – 50
Operating Humidity (%) RH:	20 – 80
Webcam :	Built-in
<b>Data Processing Unit</b>	
System Specification:	1.44GHz Intel Processor
	2GB DDR3 RAM (Expendable upto 4 GB)
	32GB storage (Expendable upto 128 GB)
	Intel HD Graphics (or better)
	Windows 10 operating system
	Integrated wireless 802.11AC (Intel Dual Band Wireless-AC 7265)
	Bluetooth V4.0
	USB Port-2
HDMI Port – 1	
Standard Accessories : -	Standard Wireless Keyboard-1 No. Wireless Mouse-1 No., USB Hub-4 Port-1 No., Technical and User Manual, All related Accessories which are required in this item.
